01

For the *bath-soak mom*

WallScents plug-in warmer + Lavender & White Sage refill. \$24 total. Plug it in next to the tub — every shower turns into a spa moment without lighting a single flame.

02

For the *hostess* *mom*

Fresh Bamboo Reed Diffuser. \$28 — splurge bundle. Goes in the entryway and works 24/7 so the moment guests open the door her house already smells like she planned it.

03

For the *travel mom*

Escape to Paradise + Aloha Pineapple oil duo. \$19. Switch them in any reed or wall warmer and her hallway turns into a cabana. Cheaper than the actual vacation she keeps texting you about.

04

Butterfly WallScents + Fresh Linen refill. \$24. No flame, no smoke, baby-safe. Plug it in the nursery hallway and the whole upstairs feels clean even on the no-laundry weeks.
